Gabriellebouchard1999@outlook.com

---

Software engineering student with strong analytical, problem-solving skills and experience building production-level web applications. Driven by solving complex, data-driven problems, and continuously improving technical performance. Available full-time and completing final coursework part-time.

---

## WORK EXPERIENCE

### FRONTEND DEVELOPER

GoTo Technologies

January 2025 – Present

- Designed and implemented a full onboarding flow from scratch, improving user adoption
  - Refactored a Chrome extension for feature flags management from React to Lit Element, improving performance, maintainability and development efficiency
  - Built scalable, reusable web component and resolved production issues within a large, structured codebase
- 

## PERSONAL PROJECTS

### TRADING BOT

Python

- Developed automated decision-making logic to analyze market data and identify trading opportunities
- Integrated AI-based validation to filter low-quality trade setups before execution
- Backtested strategies using historical data to evaluate performance and optimize parameters

### FLIGHT TRACKER

Python, React, SQL

- Built a full-stack app querying a third-party API for real-time flight data
  - Designed filtering logic based on user-defined criteria and triggered automated email notifications on matching results
- 

## TECHNICAL SKILLS

### LANGUAGES

Python, TypeScript, Java, C++, SQL

### FRONTEND

React, Vue.js, Astro, Lit, HTML, CSS

### BACKEND & APIS

REST APIs, API integration, Node.js, Express

### TOOLS & TECHNOLOGIES

Git/GitHub/GitLab, CI/CD, Docker

### ARCHITECTURE & ENGINEERING

Component-based architecture, scalable systems, multi-repository environments, code reviews

---

---

## EDUCATION

### **BACHELOR'S IN SOFTWARE ENGINEERING**

Laval University

Expected completion in April 2027

### **BACHELOR'S IN CRIMINOLOGY**

Laval University

2023

---

## HONORS & DISTINCTIONS

- Received distinction awards for both internships, recognizing strong performance and contribution
  - Offered a position following internships based on performance
-
